

WELCOME TO OUR FAMILY TABLE

In 2009, our mother transformed her love for authentic Indian cooking into a small sanctuary of flavor right here in Blantyre, Malawi. What began as a humble kitchen—where every dish was lovingly made by her hands—has grown into two branches, still infused with the same warmth, charm, and soul.

We invite you to explore a pure vegetarian journey across India, where every bite tells a story.

From the rich, aromatic curries of the North to the crisp dosas of the South. From the irresistible street food classics to the comforting thalis and spiced chai that feel like home.

Some of our most cherished dishes include the crisp, flavor-packed Dahi Puris, the zingy, tangy Pani Puris, our iconic Masala Dosa, and the ever-satisfying Paneer Masala Curry, perfectly paired with buttery naan or garlic naan.

This is not a fancy place.

It's a home away from home, where tradition meets taste—and where every dish is served with warmth, love, and a sprinkle of nostalgia.

We're so glad you're here.
Welcome to our table.
